

Direct to Client Relationship Agreement

This Agreement is entered into this ____ day of _____, _____ between National Business Products, Inc., doing business as Card Marketing Services (CMS), and _____ (Channel Partner).

CMS agrees to handle all aspects of all card production for jobs provided by Channel Partner including, but not limited to, accepting the order, designing, producing, billing, collecting and paying Channel Partner a commission that is derived below. CMS will keep all communication open between the client and the Channel Partner. CMS will collect all funds prior to shipment of jobs unless circumstances required otherwise.

Pricing

CMS will quote the prices provided by the Channel Partner to the customer on all occasions and products. It will not vary unless specified by the Channel Partner or unless exceptional situations arise, in which case approval for pricing deviation will be agreed to by both CMS and Channel Partner.

Commission

Commission will be the difference between the set price CMS charges the Channel Partner and the retail price as determined by the Channel Partner. The commission will be paid to the Channel Partner on the following month after the job has been completed and shipped with all funds being collected. A report of all jobs being paid will also accompany the check.

Problems/Issues

If there are issues with the job, CMS will notify the Channel Partner for direction on how to proceed with the job.

Reports

CMS will provide the Channel Partner with the following information:
